NIC NOTES

Dear Parishioners,

So often, we hear people saying that going to Church and/or participating at Holy Mass isn't that important because they can pray at home. Praying at home is a wonderful thing, but it does not take the place of going to Mass. Private prayer is great; when you pray at home, your prayer is personal and one dimensional. When you come to Mass, you pray with your whole being. You use all your senses. You see, hear, smell, taste and touch. You use your body by genuflecting, sitting, kneeling, standing, walking and singing.

When you go to Mass, these opportunities are given to you:

1. You seek forgiveness for your sins
2. You learn how God's Word impacts your life in the homily.
3. You offer yourself to the Lord.
4. You experience the miracle of bread and wine changing into the Body and Blood of Christ.
5. You reach out to others with the Peace of Christ.
6. You admit that you are not worthy, and then come forward to receive the Body, Blood, Soul and Divinity of Christ.
7. You receive a special blessing.
8. You are commissioned to go out and to make the world a better place.

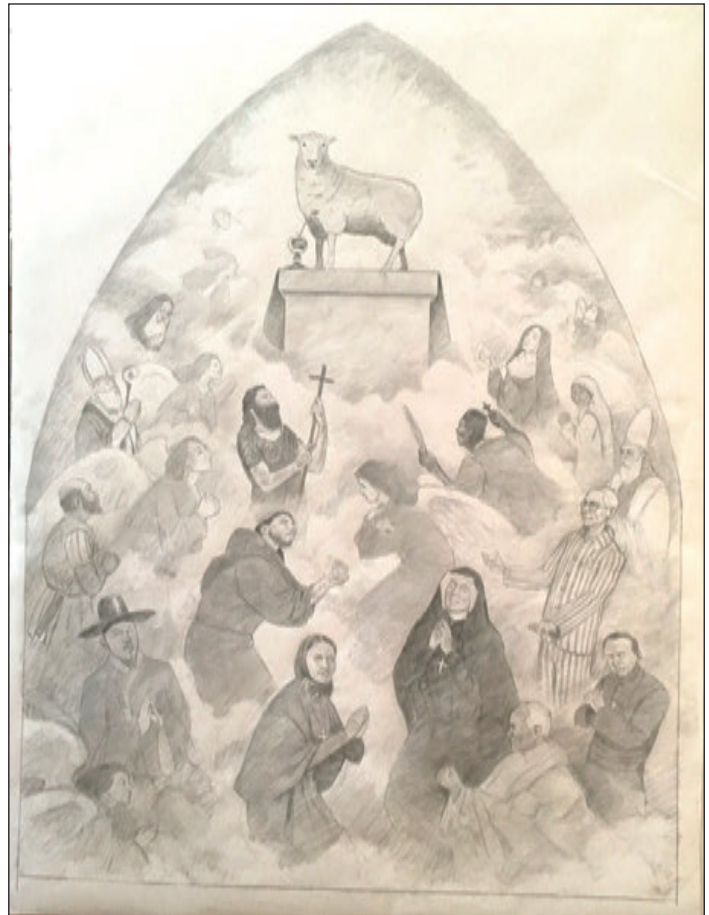

The above are to assist you in realizing why the Mass is so very, very important to participate in on a regular basis. It is also very important to realize that the Mass is more than entertainment. When entertainment is the model for church worship, the leaders try to induce particular feelings in the audience.

The Mass, however, is just the opposite. It is a ritual in which people bring their own feelings and incorporate them in the Liturgy. That's why it is possible for two people to attend the same Mass, one grieving a death and the other celebrating a birth. You both feel connected. The whole point is to go beyond feelings into authentic prayer which is offering of oneself to God in Jesus Christ.

May God, through the intercession of St. Helena, bless us.

Love and prayers,

Msgr. Nicolo

MADELEINE’S MESSAGE

Dolores Bird and Debbie Erthal teach Level 3 PREP classes and they gather in prayer, exploration, and activity allowing each child to focus on the teachings and lives of Jesus, the saints, and holy people.

Through shared learning, the children are growing as caring, faithful, community members.

The children learn about:

- † *The Blessed Trinity: God the Father, God the Son, and God the Holy Spirit*
- † *Jesus, the Son of God who became one of us*
- † *The Church and its history and teachings*
- † *The Mass and the Sacraments*
- † *Our call to discipleship The children learn how Catholics live their faith and celebrate God’s love*

They learn that they can celebrate God’s love like the saints they read about. They explore their own lives, their relationships with Jesus, family, and community members.

Thank you Dolores and Debbie for all they do for our Level Three PREP.

Have a great week!

Madeleine

KEN’S CACHE

It’s the esoteric historian who can associate this date with Catholic history, few others. But on January 22, 1899, Pope Leo XIII issued the encyclical *Testem benevolentiae*, the document condemning the alleged heresy labeled “Americanism.” The heresy was a libel on American Catholics. From the beginning the “heresy” was more European than American. What’s the background?

Marveling at the rapid growth of the Catholic Church in the United States, certain circles of European Catholics, in France particularly, seized upon a popularized and imprecisely translated biography of Father Isaac Hecker, who came to Catholicism partly through New England transcendentalism, to press for secular and ecumenical accommodations that theoretically would be as beneficial for the church in Europe as they had been for the church in America. Liberal European Catholics seemed especially impressed by the health and vigor a church could enjoy where it was independent from state patronage.

Isaac Hecker, to return to him, was founder of course of the Missionary Society of St. Paul the Apostle, better known as the Paulists. He acquired a wide reputation for winning converts, in part by emphasizing those things which Catholics and Protestants held in common, rather than those which separated them. That approach, highlighted in the translation, is the cornerstone of the modern ecumenical movement, but, in 1899 it smacked of compromise, of dilution of doctrine, of a waiving of prerogatives. The very idea was anathema in Rome. Problem was, in issuing his condemnations, Leo was addressing the wrong audience.

Though the “Americanism” name given the incident would stick, the reality was that the issues that troubled Leo did not exist in the American church. The church was not in radical ferment; it was loyalist. Leo XIII subsequently realized this, and three years later issued a congratulatory message to American Catholics for the loyalty and “Liberality.”

God Bless You! Deacon Ken

RESPECT LIFE CORNER

Montgomery County Stand Up For Life Rally

From 2-3 pm on Sunday, January 27, Epiphany of Our Lord Church (3050 Walton Road, Plymouth Meeting) will host this Rally with a reception to follow in the Church Narthex. This Rally observes the 46th anniversary of the infamous January 22, 1973 *Roe v. Wade* decision. Since then, the abortion industry in the U.S., including Montgomery County has killed approximately 60 million children and injured their mothers.

The many efforts of the Pro-life movement in our area and throughout Pennsylvania have resisted the Culture of Death, and have succeeded in reducing abortions by 55% since 1980. Please attend this Rally, learn how to assist in these efforts, and hear messages from young adults who are providing leadership to ensure that this success continues.

"We will stand up and proclaim that no one has the authority to destroy unborn life."

We are very excited to announce that we will be participating in a parish-wide survey about discipleship conducted by the Catholic Leadership Institute, a non-profit Catholic apostolate that does leadership training and development.

We need your help! We would like as many parishioners as possible to complete the 10 minute survey. The survey will only be available from February 16 to March 16. All responses are confidential and the parish will only receive information about the community as whole.

The survey results will be invaluable to all of us as we seek ways to best support everyone in their discipleship journey. Additional details to come in the weeks ahead. The Disciple Maker Index is a survey tool, created by Catholic Leadership Institute to:

- Allow parishioners to reflect upon their spiritual growth and discipleship
- Identify the ways in which the parish effectively supports that growth and look at opportunities to support that growth more in the future
- Provide valuable input to help our Priests and Parish leaders make decisions & plan effectively
- Help our Priests & Parish leaders have a sense of where to focus evangelization efforts

Thank you very much to your continuing support of our Parish! Please remember the importance of placing your empty envelope in the collection basket each weekend. Simply check the electronic donation box and write "empty" on the amount line. Mass attendance is recorded by our Parish and the only means we have of knowing how often parishioners come to Mass is through the use of envelopes. Should you ever be asked to be a sponsor for Confirmation or a godparent for Baptism, your eligibility is based on the fact that you are registered in a parish and are a practicing Catholic.

If you are considering electronic tithing, it is very simple. Check the "Parish Giving" link on our website www.sainthelena-centersquare.net to set up an account for regular contributions. You are able to set up any giving schedule that works for you.
